OUR ETHOS

Our unique fusion makes for a healthy menu with maximum flavour and aroma.

Passionate about great food and inspired by our Naas home, our eclectic menu fuses fine Indian cuisine with the best local produce and seasonal ingredients.

Low-fat and healthy, we use only lean, local meat and responsibly sourced vegetables. Our lentils, beans, pulses, exotic herbs and spices; maximise taste, increase fibre and contain lower levels of fat, salt and sugar.

All of our meats and vegetables are sourced from HACCP-compliant suppliers, for full traceability.

A virtuous circle of sustainability and excellence, we only use health promoting low-cholesterol, polyunsaturated oils. All additives, preservatives, artificial colours and carcinogens are strictly forbidden from our kitchen.

All Indie Restaurants are compliant with Irish Food Safety and Hygiene standards. And all of the products we use are sourced from ISO9002 quality system approved exporters as far as possible.
